Did you mean: patent claim geometric hierarchical **structure** diagram "hierarchical diagram"

### Error tolerant microprocessor

RE Fosdick - US Patent 4,866,718, 1989 - Google Patents

... **Patent** Sep. ... In this environment, the chips, especially those utilizing less than three micron **geometry**, suffer random errors due to the presence of cosmic rays or high energy particles or ions. ... 4 illustrates a preferred **hierarchical diagram** of the control **structure** required in FIGS. ...

[Cited by 6](#) - [Related articles](#) - [All 2 versions](#)

### Method of establishing constraints between graphical elements

JL Gay... - US Patent 5,577,189, 1996 - Google Patents

... 14-25. R. Mills, "DesignView Links **Geometry** and Equations," Computer Aided Engineering, Sep. ... US Patent 5,577,189 Nov. ... 5,577,189 METHOD OF ESTABLISHING CONSTRAINTS BETWEEN GRAPHICAL ELEMENTS This is a continuation of the prior application Ser. No. ...

[Cited by 29](#) - [Related articles](#) - [All 2 versions](#)

### Method of establishing constraints and links in a distribution frame between graphical elements resolving the constraints

JL Gay... - US Patent 5,437,008, 1995 - Google Patents

... Mills, "Design View Links **Geometry** and Equations", CAE, Sep. ... The UI interacts with the operating system through an application shell. ... Page 19. US Patent 5,437,008 July 25, 1995 Sheet 18 of 18 GRAPHICAL ELEMENT v GRAPHICAL ELEMENT 1 03 T PHICAL ELEMENT GRA ...

[Cited by 33](#) - [Related articles](#) - [All 2 versions](#)

### Computers systems and methods for verifying representations of a circuit design

J Hagerman, M Bellantoni, RJ Newton... - US Patent ..., 2001 - Google Patents

... Chrysalis Symbolic Design, Inc., North Billerica, MA (US) ( \* ) Notice: This **patent** issued on a continued prosecution application filed under 37 ... US Patent Apr. ... The process culminates with the generation of a database containing **geometric** detail of masks that will be used to ...

[Cited by 7](#) - [Related articles](#) - [All 2 versions](#)

### Form folding and gluing machine

DE Yates... - US Patent 5,518,574, 1996 - Google Patents

... US Patent May 21, 1996 Sheet 20 of 20 5,518,574 535 530 229 J 534 Fig ... Applying adhesive directly at the self-mailer machine avoids all of the problems of application of adhesive ... 12 is an **hierarchical diagram** of menus used in an operating system for the operator interface in a ...
